Camp Dresser & McKee Inc. and Lithochimeia, Inc. seek your consent to access your property or the property upon which you reside or property whose access you control to conduct part of an environmental study in eastern Oklahoma and western Arkansas, primarily within the Illinois River Watershed. These activities you consent to are:

- ☐ Sampling surface water
- ☐ Sampling water wells
- ☐ Sampling springs and seeps
- ☐ Measuring groundwater elevations
- ☐ Sampling soils and sediments
- ☐ Other: _____

The specific dates that we will be at your property have not been determined, but unless you specifically agree otherwise, you will be contacted at least 48 hours prior to our visit, and the visit will be scheduled at your convenience.

Results of any sampling on your property will be mailed to the address provided on this form when they are available. A copy of this form will be provided for your records.

Contact David Page at Miller, Keffer & Bullock at 918 584-2001 with any questions.

Thanks for your help!

I hereby grant access to the above-described property to the firm(s) of Camp Dresser & McKee Inc. and/or Lithochimeia, Inc. and their representatives for the previously described study and monitoring activities.
